

Bird 4240-401

Type N, BNC, TNC, SMA and UHF Connector RF Adapter Kit

The 4240-401, RF Adapter Kit lets you assemble compact, precision 50 Ohm adapters to meet up to 45 different matching requirements. The adapters offer low VSWR because of precision matching and tight mating tolerances.

The N (F)/N combination, for example, is below 1.05 to 1 GHz and below 1.1 to 2.5 GHz. Model 4240-401 can fashion 45 combinations and includes enough couplers to assemble 5 complete adapters at the same time.

Kit Contents:

- (1) 4240-402 - Male N Connectors
- (1) 4240-403 - Female N Connectors
- (1) 4240-404 - Male BNC Connector
- (1) 4240-405 - Female BNC Connector
- (1) 4240-406 - Male TNC Connector
- (1) 4240-407 - Female TNC Connector
- (1) 4240-408 - Male UHF Connector
- (1) 4240-409 - Female SMA Connector
- (1) 4240-410 - Male SMA Connector
- (1) 4240-411 - Female UHF Connector
- (5) 4240-413 - 50 Ohm Couplers
