Parts																				
Part																				
Contact Pin																				
Barrel																				
Insulator																				
Body																				
Material																				
Brass																				
Phosphor Bronze																				
Brass																				
Teflon																				
Brass																				
Plating (Micro-inch)																				
Tin-Zinc-Copper-Alloy 100 Over Copper 50																				
Gold 5 Over Copper 50 Over Copper 50																				
Tin-Zinc-Copper-Alloy 100 Over Copper 50																				
Tin-Zinc-Copper-Alloy 100 Over Copper 50																				
Weight: 31.69 g																				

This part number complies with RoHS.
