

3M™ PELTOR™ WS™ SportTac Headset, 26 dB, Bluetooth®, Orange / Green Cups, Foldable Headband, MT16H21FWS5E-584-GN

3M ID 7000108343

PELTOR WS™ SportTac headset allows you to better control what you hear – and don't hear. You can easily adjust the volume of surrounding sounds, filter out certain unwanted frequencies and still be protected from harmful noise levels when the shot is taken. The built in Bluetooth® solution makes it possible for wireless connection to a mobile phone or other communication device for instant and discreet communication. Included in the packaging one pair of ear defenders with interchangeable green & black shells.

- Specially designed for hunters and shooters, the Bluetooth® function enables clear and reliable communications with phones or other communication devices.
- Wireless connection via stereo Bluetooth® to hunting radio or mobile phone
- Smooth level dependent function, protects the user from sudden loud impulse noise.
- Included in the packaging one pair of ear defenders with interchangeable green & black shells
- Equipped with automatic shut-off function
- Collapsible headband for easy storage
- Audio input for external radio
- Operating time: ~11 hours
