

TEAM COMMUNICATION  
IS THE KEY TO SUCCESS  
IN THE FIELD, IN SPORT  
AS WELL AS INDUSTRY

**Hands-free, instant  
communication system**

**Patented noise filter, suppression  
of surrounding noise**

**Continuous conference,  
unlimited users**

**Multichannel, several systems  
can be used on the same site**

**Digital encryption,  
secure exchanges**

**Can be used immediately**

**Increases your productivity**

**Headset & smartphone connection,  
call handling**

Discover **Vokkero®**, the radio communication system brand for mobile teams, enabling several users to create an instant, continuous and secure audio conference.

Recognised all over the world by referees of team sports, **Vokkero®** products are also perfectly suited to the construction, industry, maritime, security, or broadcasting sectors thanks to their robustness, lightness and audio quality.

Equipped with a **patented noise filter**, VOKKERO® GUARDIAN solves all communication problems in noisy or difficult environments. Its hands-free system provides unrestricted movement as no fixed installation is required, and thereby enhances performance.
